

## Membership details

CONGRATULATIONS on joining the SUPKiko team. Being a member gets you lots of benefits including discounted paddles, equipment, being part of a community and getting fit. It is valid until Dec 31<sup>st</sup> 2016.

### So how do you get 50% off?

Please call or text (07854985007) to confirm your membership payment and so you can choose your unique discount codes – something easy for you to remember. I will make a note of them, along with your bank details, so that I can send you your cash back in November. Every time you come paddling, not only do you get 50% but also £5 cashback! Rewarded for paddling!

### How does it work for my friends and family?

The next time you paddle with SUPKiko you will get some business cards (and a t-shirt) which you can apply your other discount code to, giving anyone 40% of their paddle. And every time they book you get £5! So, for example, if you wanted to organize a work social, every person that books, including you, will get you £5 cash back. There are no restrictions on who you give this to or how many you give out. Get distributing!

**Welcome on board!**
